

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within 8 days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Notice is hereby given that sealed tenders will be received at the office of the Sanitary Engineer, Mysore Special Improvements Division, up to 8th February 1888, for filling up Purnaiya's Nullah from Sivarampet Bridge to cross road leading Railway Station, Mysore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of September 1888.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's office at Mysore between the hours of 11 A. M. to 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed:—

Description of work.	Unit of work.	Rate per Unit
Earth from Spoil Bank to the east of Siladar lines for filling by Tramway	20,000 C. Yds.	
Do from Spoil Bank beyond the Mochi Ghat for filling by Tramway	70,000 do	

4. Each tender must be accompanied by a deposit of Rs. Fifty in cash or Government Currency Notes, as earnest money, and be a guarantee "Tender for filling up Purnaiya's Nullah from Sivarampet Bridge to cross road leading Railway Station, Mysore," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within 8 days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

STANDISH Linn,
Sanitary Engineer.

MYSORE DISTRICT.

PROCLAMATION.

The 28th January 1888

The Post Master General of Madras offers a reward extending up to Rs. (200) two hundred for the detection and bringing to justice of the party or parties concerned in the abstraction of gold coins from an insured parcel received at the Mysore Post Office on the night of the 15th December 1887.

C. RAGHAYACHARIJ,
Police Superintendent.
